IMPORTANT INFORMATION FOR YOUR EMPLOYER

The International Mobility Program (IMP) lets employers hire temporary workers without a Labour market Impact Assessment (LMIA). Exemptions from the LMIA process are based on broader economic, cultural or other competitive advantages for Canada; and the reciprocal benefits enjoyed by Canadians and permanent residents. In most cases, to hire a temporary worker through the IMP, the employer must pay a compliance fee of \$230 and submit an offer of employment form through the IRCC Employer Portal before you submit an application for a new work permit.
